Division D has a long way to go before June 30<sup>th</sup> but the Area and Division Governors will be having strategy sessions to assist clubs with membership ideas.

### **Educational Awards:**

Currently we have achieved 19 educational awards.

CC = 5	ACB = 1	ACG = 1
DTM = 1	CL = 8	ALB = 1
ALS = 1	HPL = 1	

### **Division D Director Personal Goal:**

Division D Director works at the City of Edmonton where they have 10,000 employees. Her personal goal is to have at least 1 more club this year Chartered.

Teresa and Renee Reddekopp are doing a presentation before Team Leads and Managers in the Assessment and Taxation Department in January.

A visit was done by members of the Trio along with Jim Kokocki to Andrew Knack one of the City Councillors and has agreed to come out to a meeting as well as given us a possible opportunity to present before the Edmonton Youth Council.

**Area Directors:**

Have done a fantastic job at getting their Club Executive members out to training and the contests done and are now focused on getting their Area Visits done prior to the deadline. Everyone is working very hard.

The next Division Council meeting will be spent brainstorming and focusing on the next round of COT and membership building.

Respectfully submitted,

Teresa Young
