

## Division E October Report 2016

Division E Council meeting was held October 15, 2016 in Prince Albert, SK after the Division E Fall Humorous Speech and Table Topics Competition with 6 of 7 Area Directors in attendance as well as the Division Director, Jackie Demert. PQD, Don Zurakowski spoke to group at this time.

Division E Area Directors are in the midst of making their official Area Director visits. Each Area has a club that is struggling with membership or is in need of a coach. Two clubs have not paid their dues and one of these clubs has only 3 possible members. There was a chance of rescuing this club with another new club taking over the charter but to date, they have decided not to pursue forming a club this year. Some clubs have held successful `Open Houses` with up to 12 guests attending and up to 3 guests becoming members.

Division E will start the second round of COT and TLI on December 3. Three to four sessions will be held throughout the Division. Speechcraft will start in January.

Respectfully Submitted,

Jackie Diemert, DTM

Division E Director
