District 99 2018 Fall Conference Program Quality Report

Submitted by:

Glenn Walker DTM
Program Quality Director
District 99

Summary

To date, members in 72 clubs have filed for 162 achievements. We are honoring 7 DTM's and 10 Triple Crown recipients at this conference.

Division and Area Directors achieved 100% training at events held in Edmonton (2), Lloydminster (1) and Saskatoon (1). Our next training event for Division and Area Directors will be held in Edmonton on January 19-21st.

Training for club officers yielded a 57.7% training of all club officers. 107 clubs were able to achieve 4 or more club officers trained during the 1st training period. The next training period will start on December 1st. Watch for dates coming soon from the Divisions for training events in your area.

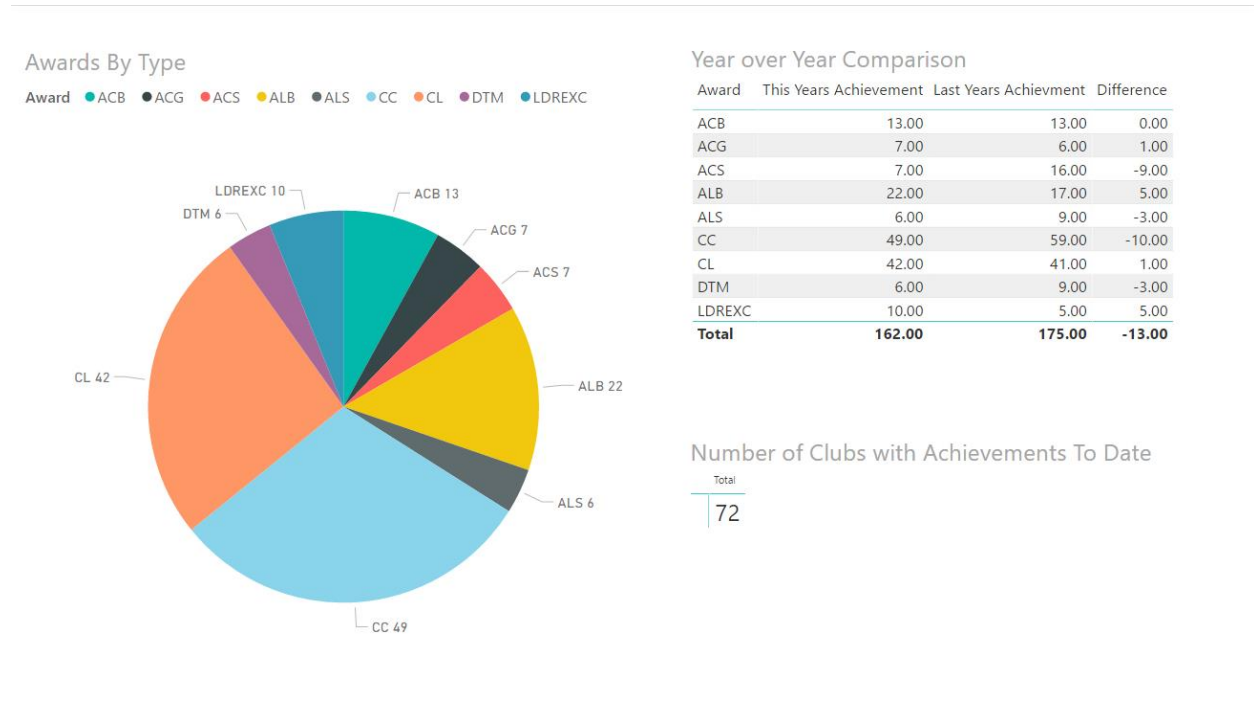

The Education Development Team has been busy with building the team. There is an abundance of opportunities to get engaged. Our goal is to improve the quality of education received by our members. Send inquiries to edteam@d99tm.org to find out more. Watch for the launch of a new page on the district web site with information about the team.

Pathways is rolling in sooner than we thought. We are now being told to prepare for an April 2018 roll out of the Pathways program. Chief Ambassador Marg is gearing up and we will need volunteers to fill many roles related to the program. Check out the Pathways information at Toastmasters International at <https://www.toastmasters.org/Pathways-Overview> to learn more.

Stay tuned for more information as Ambassadors and Guides reach out to your clubs to give you more information.

Education Goals

To date 72 clubs have members achieving awards in Competent and Advanced Communication and Leadership Programs. The following figure summarizes the accomplishments of members from July 1st to November 14th.

The figure includes a comparison to achievements over the same time period from last year. The comparison shows that member achievements are only down slightly year over year.

At this conference, we will be honoring 7 DTM’s. The following awards will be handed out at the Communication and Leadership Awards Luncheon:

Training Programs

District Officers

Training programs were held in Edmonton, Lloydminster and Saskatoon for Division and Area Directors. As a result, we achieved 100% of our Division and Area Directors trained. We have since had a couple changes in personnel which as resulted in that percentage dropping to 95%.

Mid-Winter training programs are planned for January 19-21st in Edmonton for Division and Area Directors.

Club Officers

Training dates through June, July and August were provided for Club Officer Training. Overall, 57.7 % of officers were trained. 107 clubs had at least 4 officers trained. 44 clubs had less than 4 officers trained. The results are shown in the table below:

Division Summary			
Officers Trained By Division	Number of Clubs with Under 4 Officers Trained	Number of Clubs with 4 or More Officers Trained	Total Percent Trained

Education Development Team

The Education Development Team continues to grow. Our team in Saskatoon is coming along nicely. We are also wanting to further develop the team in Edmonton, as well. If you are interested in participating in the Education Development Team, contact Marg Faryna, Penny Nilsen or Teresa Young for more details.

Pathways

Our Pathways Chief Ambassador is Marg Faryna DTM. Marg is busy preparing for a rollout which will occur earlier than expected. Our region has been moved up as another roll out has been delayed. We can expect to see Pathways rolled out in District 99 in April of 2018.

Marg has held a meeting with the Ambassadors to begin the preparations. However with the advancement of the timetable, we are going to be looking for Pathways Guides to work with the Ambassadors sooner than we had anticipated. Our deadline will be December 22nd, 2017 to have Pathways Guides in place.

There are several different opportunities to volunteer related to Pathways. The Toastmasters International Pathways site has information. Check out the volunteers section highlighted below.

From Toastmasters International Volunteer Information

<https://www.toastmasters.org/education/pathways/volunteers>

Members have played a critical role in the development and launch of the Toastmasters Pathways learning experience. Three groups in particular have been instrumental:

Chief Ambassadors and Ambassadors — Vital to the development and success of Pathways, Chief Ambassadors and Ambassadors provide leadership and build excitement for Pathways by inspiring, educating and supporting members within their district.

Pathways Guides — As integral members of the Pathways launch team, Pathways Guides work closely with the Chief Ambassador and Program Quality Director while partnering with an Ambassador to visit each club and prepare you for the arrival of Pathways. They are a club's first point of contact for all Pathways questions and will help with training, supporting the vice president education and more.

Volunteer Translations Reviewers — Pathways educational materials will be available in eight languages in addition to English. Volunteer Translations Reviewers help ensure Pathways materials are translated accurately and localized properly for each region and culture.

Learning Masters — This diverse group of volunteers began collaborating with the Pathways content development team in the early stages of the project. By reviewing plan outlines, giving feedback and presiding over a content pilot program, the Learning Masters helped to ensure Pathways meets your needs.
