## **Report to District 99 Council - Nov 18, 2017**

submitted by Ken Tanner DTM, Committee Chair

The District 99 Procedures committee will convene to review a number of items that require attention over the next few months. The committee will review the existing procedures document and provide proposals to the District Executive Committee (DEC) for their consideration, and ultimately presented to the next District Council meeting in May for final approval

The committee will seek input from various sources, such as DEC members, PDG/PDD's, recent elected officers, among others. We will also need additional committee members to assist in review and preparation of timely proposals

There are many areas known to need attention over the next year, such as:

- impact of District Fall Conference discontinuation, as it affects:
  - Annual Speech contests run within the District
  - annual "Of The Year" award selection and presentation processes
  - District Spring Convention rotation
  - District Executive Committee meeting requirements
  - among others
- Annual "Of The Year" awards, to review the changes from last year for any needed improvement
- Full review of the Finance Article has been requested, now that we are in the second year of operation as a new District
- Reconsideration of the District Newsletter ("Prairie Horizons") article
- Consideration of impact of Pathway Learning system implementation the Procedures
- Developing Terms of Reference for District Committee's
- Inclusion of Information Appendix within the document

Other items identified to the committee will also considered
