To DEC,

First of All, it has been a pleasure to serve as Division C Director. Thanks for the opportunity.

With our Area Directors we have held regular, sometimes, monthly Division Council Meetings. Area Directors are supportive and worked in their duties as their busy schedules permit.

I'm proud of the work we have done and happy with this first Division Director experience.

During 2nd round of COT we organized 2 events at OEM and Enbridge, with more than 120 officers attending from our and other Edmonton divisions.

We are working on organizing our last COT of this TM's year. It will be on June 9th at Enbridge tower, as first option.

Out of the 25 clubs we had at beginning of the season, there are 24 paid.

Two new clubs were chartered both in Area C1, one club was lost and there are 2 clubs with less than 8 members that we are supporting to get to minimum requirements.

Despite the unknown future results with one of them, Core Development, I want to acknowledge the personal effort and time, that Don Zurakowsky, our District Director and Marg Faryna, Chief Ambassador had put into finding solutions for the club. It is appreciated and acknowledged. Thanks.

Currently our Division has 3 Distinguished clubs and I'm confident that we will get Distinguished status by end of June.

There are great stories to share about some of our clubs but the time for this report wouldn't allow to tell them.

Thanks

Omar Nef
Division C Director
