Mr. Donald Zurakowski  
District 99 Director

The 2017-18 District 99 Audit Committee, made up of Dresdin Archibald, Danie Hardie and Katherine Servold, has completed its examination of the financial records of Toastmasters District 99 for the year starting on July 1, 2017 and running to June 30, 2018.

We have examined the records of District 99 and found that the financial reports and their supporting information provided was complete, well-organized and presents fairly the results of its operations during the fiscal year. All of the information needed to complete the audit in a timely manner as provided.

The Audit Committee would like to thank District 99 Finance Manager Cheryl Persson both for her diligence in accounting for the District's financial transactions this past year and also in assisting our Committee in a well-organized and professional manner.
