

## **CGD report September 2018**

Focusing on trained club coaches - we have had two Coaching Commitment and Orientation sessions in Edmonton and I am looking at dates to do one in the east -hopefully later in Oct. We will then be scheduling Coaching 102 sessions for active coaches -this is an opportunity to learn and share best practices.

Monthly Coaching webinars started on Sept 17/18 and the next will be Oct. 28/18. A list of dates and topics is on the D99 website and we encourage all members to login and participate as they will have value for all members.

The member sponsorship contest rules will be posted on the d99 website shortly if they are not yet... we encourage all clubs to be sure someone gets credit for all new members and are entered for a chance to win a \$100 Toastmasters gift certificate per division.

We continue to look at leads for new clubs and welcome any suggestions of possible locations or interest.

Respectfully submitted.
