

## Division C – September Report

- As of the Area rebalancing Areas 1, 10, 13, & 16 each have 4 clubs and Area 25 has 6 clubs. Areas 10 and 25 are within blocks of each other (see map). It is recommended that further balancing be considered.

- The last club officer list was submitted on September 12th making all lists submitted.
- The August Div C COT had 38 officers trained. Thanks to Chad and Jeff of Towering Talkers for letting us use the City of Edmonton facilities.
- For Div C, 11 out of the 22 clubs have the minimum 4 club officers trained. The university and downtown clubs had the greatest struggle. The remaining areas had all but one club with 4 or more officers trained.
- Currently only one club has paid its dues.
