

Sample Area Vision Presentation

This Area vision presentation is used early on by the Area Director to:

1. Self-introduce to the clubs – complete this as an initial meet and greet even before end of July
2. Set direction and drive focus for the clubs

Fellow Toastmasters, welcome to a new season, now is the time to step into your moment

In my time with you as your new Area Director, I am here to support you and your club to new levels of growth and development.

My vision for Area A57 is REVIVIFY; to revivify means to bring new life and that is exactly what I am here to do.

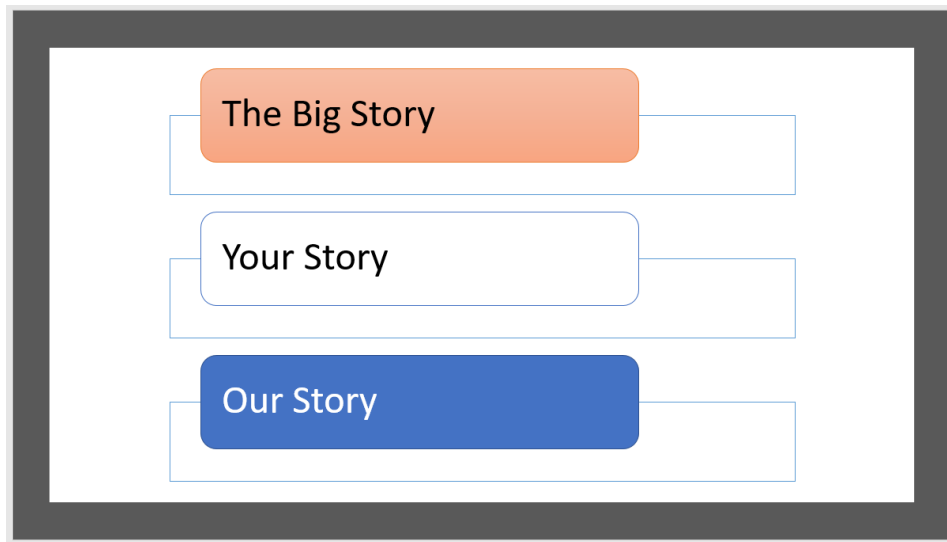

I am here to help bring new life to your Toastmaster experience:

1. Helping you to **REFRESH** your thinking about the importance of Toastmasters – Leadership & Communication
2. Helping you to **RECONNECT** with the core purpose – because your journey to greatness starts here

3. I am here to help you **REFIRE** your commitment and zeal to pursue new levels of growth and development

- Intentional environments
 - community and collaboration
- Interclub support for improved performance
 - Leadership Training
 - Membership Attraction and Retention
 - Mentoring Program
 - Educational Goals

During the next Toastmaster year, we seek to create Intentional Environments that will provide you with lots of opportunities to participate in the planning and execution of area programs focused on learning, community building and collaboration.

The Big Story – Toastmaster International has lots of resources and opportunities to encourage us to make a difference outside of our club; for example, lunch and learns or workshop sessions at the work place
Each one of us has a story share. Your success in life is tied to your story

A collection of stories that we each share becomes OUR STORY!

COSA Connections! It's time to REVIVIFY:

1. **REFRESH** your thinking about the importance of Toastmasters – Leadership & Communication
2. **RECONNECT** with the core purpose
3. **REFIRE** your commitment and zeal to pursue new levels of development and growth

I am here to help bring new life to your Toastmaster experience!
