

APRIL IS TOASTMASTERS MONTH!

Hello Esteemed D42 and D99 Toastmasters!

We are teaming up to declare April as Toastmasters Month. In this handout, you will find a 'Toastmasters Month Checklist' and an 'Objectives to Complete the Checklist' page.

This is your opportunity to join the buzz and get visibility for your club!

Host an open house, hold a Speechcraft, attend a community event as a club to network, or engage with the public online to share the benefits of Toastmasters! Whatever works for your club!

Let's fill the calendar for April and get the attention of the community and media!

Every club that participates in Toastmasters Month will receive a Ribbon of Recognition to hang on their club's banner!

Let's make this celebration one for the books by showcasing the phenomenal Toastmasters of Alberta and Saskatchewan!
